The mission of the Interstate Stream Commission: to investigate, conserve, protect, and develop the water resources and stream systems of New Mexico and carry out plans and programs for beneficial uses in the state, all in accordance with law.

In accordance with the current Interstate Stream Commission resolution directing compliance with Open Meetings Act, a final version of the agenda will be available 72 hours in advance of the meeting on the Office of the State Engineer/Interstate Stream Commission web site www.ose.state.nm.us and will be posted and available in the Commission's office at Bataan Building, Room 101, Santa Fe; and will be faxed to persons making a specific request for the final agenda by calling Commission's office at 827-6160.

If you are an individual with a disability who is in need of a reader, amplifier, qualified sign language interpreter, or any other form of auxiliary aid or service to attend or participate in the hearing or meeting, please contact the New Mexico Interstate Stream Commission at (505) 827-6160 at least one week prior to the meeting or as soon as possible. Public documents, including the agenda and minutes, can be provided in various accessible formats. Please contact the New Mexico Interstate Stream Commission Administrator at (505) 827-6160 if a summary or other type of accessible format is needed.
